AFTER SCHOOL ACTIVITIES 2023 2024

Dear families,

From the **auca projectes educatius** company, we want to thank the families, AMPA and the School Management for their continued trust and we are delighted to provide the after-school activities service for the forthcoming school year **2023/2024**.

We are a sociocultural animation company, specialising in the management of educational and after school activities. For more than **20 years**, we have been managing a multitude of educational projects aimed at all ages, throughout the Valencian Community, with the same motto: **creating spaces to educate**.

We are at your disposal with our staff consisting of educators, pedagogues, sports technicians, socio-cultural animation technicians...) and with our team of specialised monitors and instructors who will deliver all the workshops offered and will assist you in your doubts and offer the highest quality in the activities that we organize.

We distinguish ourselves in the quality of our services, and through the effort we make striving to combine our activities with both learning and fun along with the close communication and management with families and the school.

In the following sheets, we present the selection of proposed workshops for the **2023-2024** school year. You can find out more about each activity through our website www.auca.es.

THE PERFORMANCE STANDARDS SCHOOL WORKSHOPS 2023-2024

GENERAL

1. After-school activities will take place on Wednesday and Friday at 13h.45 to 15h.00 and 15h.00 to 16h.15. Departure from Nursery will take place at 16:00.
2. If you register your child two days per week the activity should be the same on Wednesday and Friday.
3. During this time the students will not be allowed to stay in the School if they are not doing any of the after-school activities either for the first or the second turn, or if they are in the after school care service El Faro.
4. To ensure the quality of the activities it will not be possible to accept any other student when the maximum number of registrations has already been reached, therefore a waiting list will be drawn up.
5. For robotics workshops (NANOBOTS, BYTE-BOTS and MEGABOTS) registrations will only be accepted for participation in the activity two days per week for organizational reasons of the activity.
6. The minimum number of students needed to organise an activity will be 9.
7. The activities will be carried out, and will remain active, provided the minimum number of registered students is reached and depending on the availability of classrooms.
8. Cancellations or changes to activities will be notified before the 25 th of the month. No changes will be allowed once the month has begun.
9. EXTRA CURRICULAR ACTIVITIES will not be adapted for participants with SPECIAL EDUCATIONAL NEEDS and will not have specialist monitors to cater for such needs.
10. Auca Projectes Educatius is not responsible for the loss, breakage or inappropriate use that students make of their personal belongings (musical instruments, clothes, rackets, etc.).

THE PERFORMANCE STANDARDS SCHOOL WORKSHOPS 2023-2024

REGISTRATIONS

1. Pre-enrolment period: **from July 10 to July 24, 2023.**
2. **Pre-enrolment does not imply that the place requested has been obtained.**
3. Places will be allocated according to the following criteria:
 - a. Strict order of entry of the pre-enrolment made on our Aucademy platform.
 - b. Participants already enrolled in the 2022-2023 course in reference to the continuity in the requested activity.
4. 20% of the total places of each activity are reserved for new students of the European School. Up to 15 days after the start of the activities.
5. When the registrations of new students of the European School have finished, the students on the WAITING LIST will be called for the allocation of available places.
6. When the "Places available" are filled, a WAITING LIST will be opened with rigorous numbering in order of entry.
7. At the end of the process of allocation of places, you will receive confirmation of your final enrolment by e-mail.

COMMUNICATION

1. All doubts and questions regarding extra-school activities must be addressed directly to:

Auca Projectes Educatius
coordinadora-eu@auca.es

Tel. 966 593 141 (Office)
Tel. 607 921 801 (Noelia Martin – coordinator)

2. Student pick up outside the normal time must be notified in advance by email **before 12:00 noon or by phone from the coordinator (Tel. 607 921 801)**. Children must be collected from the Primary door.

PRICE

1. All activities last two days and cost 27€ / month except for Robotics workshops (**Nanobots, Bytebots and Megabots**), which are 42€ / month, and **Minichef** which is 33 €/month.

COEXISTENCE

1. Students must comply with the Internal Regulations of the Centre, as well as the Auca Regulations for Extracurricular Activities.
2. Any damage caused by students voluntarily to the facilities or to third parties must be paid for by their tutors, and they may also be expelled from the activities in which they participate.
3. Auca may veto the participation in any activity of the pupils it deems appropriate when there are circumstances that justify it.

PAYMENT

1. The company will charge the fees for activities between the 1st and 5th of each month by means of direct debit.
2. Returned receipts have a surcharge of € 2.50 in respect of bank fee refund.
3. After starting the month there will be no possibility of any refund.
4. Families who do not have a Spanish bank account must make a monthly deposit to the company's bank account and send the bank receipt by email.
5. The amount of the activities is MONTHLY, and the fees are prorated according to the duration of the service, regardless of the number of days of activity or the student's absences.
6. **Non-attendance at the activity does not imply cancellation of the activity**, so the corresponding receipts must be paid until the effective request for cancellation.
7. **The cancellation of activities must be requested by e-mail before the 25th of each month prior** to the cancellation request, at the following address: coordinadora-eu@auca.es, and Auca will confirm receipt of the cancellation request.
